

Dear Citrix Certified Administrator;

Congratulations on your certification! You are now a member of a group of industry professionals who have demonstrated a thorough knowledge of Citrix products. Enclosed with this letter are your CCA certificate and a CCA logo sheet. This logo sheet provides you with camera-ready art for use in advertising your certification.

Business cards and letterhead are perfect places to proudly display your CCA logo. Regarding usage guidelines, we ask you do not reduce the size of the smallest logo to retain legibility and leave white space around the perimeter of the logo.

For updates on training, certification, Citrix Authorized Courses, and Citrix Authorized Learning Centers please visit the Citrix website – www.citrix.com/training. If you have any problems with the certificate you received please contact Sylvan Prometric Customer Service directly. Their location numbers are listed on our website. Thank you and good luck.

Sincerely,

A handwritten signature in black ink that reads "Carol A. Guzzo".
