Dear Louis:

Thank you for the professional service you rendered to us in the repair of our registry file and associated problems yesterday. We appreciate your conscientious efforts in getting our system back on-line and your willingness to answer our questions relevant to our system.

We were very pleased with your speediness in repairing the problems and your willingness to go beyond repair by providing us with the knowledge and commands for future prevention or restoration.

By the way, Tom noticed that you may have our name listed as KET Electronics. For your records, please note that our correct company name is KET Enterprises Incorporated.

Thanks again for doing such a great job.

Sincerely,

Lisa A. Martin
