RE: Louis Lopez

Dear Bill:

I just wanted to drop you a quick note regarding the technician you sent out on Friday April 22, 1994. Lewis Lopez thoroughly impressed me with his knowledge of computers, Word Perfect etc. I always appreciate a technician who can quickly recognize the solution to a problem. This not only saves me money based on his hourly billings but more importantly enables my staff to be more efficient due to their computer down time being minimal. As you know that cost savings is some times immeasurable.

Again I appreciate his services and the overall professionalism of your company.

Sincerely,

Todd Witmer, CPA
Controller.
