Dear Louis,

Congratulations on joining a worldwide team of highly trained Compaq Systems Engineers. The Accredited Systems Engineer (ASE) Certification is the highest title awarded by Compaq recognizing expertise in Compaq product knowledge and integration. By achieving the title of Compaq Accredited Systems Engineer, you have displayed commitment to professionalism, quality and excellence expected by Compaq customers, and knowledge and expertise of a true Compaq network specialist.

To recognize your accomplishments and assist you as a Compaq ASE, you are being provided with a Compaq ASE Welcome Kit. In addition to this Welcome Kit, you will also receive monthly Compaq ASE mailings to keep you up-to-date with the latest information and tools. To help you get started as an ASE, please complete the "Checklist for Getting Started as an ASE" on the following page.

We thank you for demonstrating your commitment to Compaq. It is people like you who continue to cultivate the credibility and professionalism that are so important to success. If you ever have any questions or comments regarding the ASE Program, please feel free to call me at 281-514-2266.

Sincerely,

A handwritten signature in cursive script that reads "Diana L. Taylor".

Diana L. Taylor
