For all questions or concerns regarding your Novell testing experience in the US and Canada, please call 1-800-RED-EXAM, and choose Option #3 to speak with a Senior Customer Service Representative.

For all questions or concerns regarding your Novell testing experience outside of the US and Canada, please contact your Regional Service Center.

**DO NOT LOSE THIS REPORT**

You gave incorrect responses to one or more questions from the following objectives:

- ñ Describe compatibility mode.
- ñ Describe the Migration Gateway.
- ñ Describe Novell International Cryptography Infrastructure (NICI).
- ñ Configure and start DHCP services.
- ñ Troubleshoot and tune the Netscape FastTrack Server for NetWare.
- ñ Describe Z.E.N.works policy packages and explain how policies are used to manage workstations.
- ñ Distribute applications using the Novell Application Launcher.
- ñ Manage workstations using the Z.E.N.works Remote Control utility.
- ñ Configure Network Time Protocol (NTP) to synchronize time in an IP or mixed IP/IPX environment.

If you need to retake the test, please remember that different objectives may be tested next time.
