**Dear Network+ Certified Professional:**

CONGRATULATIONS on successfully passing the CompTIA (Computing Technology Industry Association) Network+ certification examination. You have now earned the designation: "Network+ Certified Professional." By completing this rigorous exam, you have demonstrated a high level of expertise in this field.

On behalf of CompTIA's Board of Directors and staff as well as the Network+ Advisory Committee, we are pleased to present you with the enclosed Network+ certified professional materials and other information we feel will benefit you in your career.

- **Certificate** – for display in a prominent location, use this newly redesigned credential to showcase your accomplishment.
- **ID Card** – to carry as verification of your standing to customers and employers.
- **Certification Logo and Usage Guidelines** – to promote and advertise your certified status in business collateral and advertising materials. The guidelines and logos are available on the CompTIA Web site at [www.comptia.org/downloadlogo/guideline.htm](http://www.comptia.org/downloadlogo/guideline.htm)

Visit us at [www.comptia.org](http://www.comptia.org) for training information and other updates. Should the above items be missing, misspelled or damaged, please visit our Web site for information on how to obtain replacements. Thank you for participating in our program, and again – CONGRATULATIONS. We wish you continued success in the future!

Sincerely,

John Venator  
President and CEO
