Dear Network+ Certified Professional:

Congratulations on successfully passing the CompTIA's (Computing Technology Industry Association's) Network+ examination. You have now earned the designation: "Network+ Certified Professional." By passing this rigorous exam you have joined the elite group of networking professionals who have demonstrated a high level of expertise in this field.

On behalf of CompTIA's officers and staff, as well as the Network+ cornerstone companies, which provide oversight of the exam, we are pleased to present you with the enclosed Network+ materials:

- **Certificate** - for display in a prominent location to showcase your accomplishments.
- **ID Card** - to carry as verification of your status to customers and employers.
- **Certification Logo & Usage Guidelines** – to use to promote and advertise your status in business literature and advertisements.

Should the above items be missing, misspelled or maimed please call Sylvan Prometric at 1-888-895-6116 for U.S., Canada, and Puerto Rico immediately, or email at fulfillment@educate.com.

In addition to providing the Network+ exam, CompTIA also offers many membership benefits, including substantial discounts on all of our certification exams. If your company is interested in learning about these member benefits please call our membership department at (630) 268-1818 ext. 321.

Again, congratulations on your achievement and commitment to computer service quality. Best wishes for your future success.

Sincerely,

A handwritten signature in black ink that reads "John Venator".

John A. Venator
President and CEO
