What do these results mean?

Congratulations! You achieved a passing score on this Microsoft Certified Professional (MCP) exam. Please note that although you passed, there might be exam sections in which you need development. The information shown above, if any, indicates your relative results on sections of the exam. This information is provided to help you assess areas for further study. Exam preparation guides are available on the Microsoft Learning Web site:
<http://microsoft.com/learning/>.

Please note that it can take up to seven business days for passing results to be displayed on your Microsoft transcript (<https://partnering.one.microsoft.com/mcp/>). If passing results have not been posted to your transcript after seven business days, please contact Prometric by visiting <http://www.prometric.com/ContactUs/TestTakers/>.
