To qualify as a certified reseller for Sun Microsystems, you must re-take this test. If you have taken the exam without attending the five-day class, you must now attend the class before you can take the certification test again. Call 1-800-422-8020 to enroll at a location near you.

If you took the class, Sun Microsystems recommends that you review the areas of difficulty, work with your local Sun representative if necessary, and wait a period of 30 days before retesting. There will be a fee, reimbursable via RDF, to retest.

This examination was delivered at a DRAKE Authorized Testing Center. For all your Sun testing needs in the US and Canada, call
